N-Gage

The N-Gage scheme has been arranged for students from Bromley, Lewisham, Greenwich and Bexley.

Students will take part in a themed walk, focussing on one of several topics:

- Construction
- Tourism
- Hospitality
- Hair, Beauty & Fashion
- City Opportunities
- Olympic Industries
- Media

The aim of these walks is to give students an insight into an area of industry – What jobs and apprenticeships are available, how best to approach finding work or getting onto a course, and what the people who do these jobs really think of them.
